infFITS

MEET US AT WEB SUMMIT

FOR FASHION RETAILERS

# Less fit uncertainty.

# More shopping confidence.

AI size recommendations and personalised product discovery that help shoppers choose with confidence—and pick up where they left off on their next visit.

YOUR RECOMMENDED SIZE

**M** Based on your fit preference

WHERE THE SHOPPING JOURNEY GETS STUCK

## Less uncertainty. More personal guidance.

01 / FIT UNCERTAINTY

### Which size should I choose?

Personal size guidance based on height, weight, body shape and fit preference.

02 / REPEATED STEPS

### Do I have to start again?

Saved shopper details support a smoother sizing journey on a return visit.

03 / MISSED DISCOVERY

### What else is right for me?

Relevant product picks informed by body type and shopping preferences.

THE INFFITS EXPERIENCE

**Understand the shopper > Recommend a size > Discover more**

## Let's talk about your store.

Meet the team at Web Summit or get in touch.
